SUPERINTENDENT OF SCHOOLS HOSTED ARTIST IN RESIDENCE RECEPTION

MIAMI – Superintendent of Schools Alberto M. Carvalho hosted a reception last night with Daniel Bottero, founding artist of the Superintendent's Artist in Residence Program. The reception recognized past contributors to The Foundation for New Education Initiatives, Inc., a supporting organization of Miami-Dade County Public Schools, and welcomed future supporters.

Daniel Bottero, founder of the Bottero Art Initiative, is a talented painter whose works are displayed around the world. Bottero graduated from the National School of Fine Arts in Buenos Aires. He earned his Master's Degree at the Academia Italiana di Belle Arti in Lucca, Italy. From 1986 to 1990, Bottero resided and worked in Paris. Since 1990 he has lived and worked in New York. He currently has galleries in Wynwood and Buenos Aires.

Bottero will teach monthly classes and students will assist him in designing and painting a mural at Miami Edison Senior High School. In addition to his classes, he will visit other schools to promote the arts.

The Superintendent's Artist in Residence program brings professional artists, including musicians, writers, composers, as well as visual and performing artists, into the classroom to introduce students to the arts and culture.
